WATKIN'S PROBABILITY.—For this morning fair and continued cool tonight and Tuesday; light northwesterly winds.

DEATHS.—Mr. Robert T. Grimes, a well-known merchant tailor of this city, died at his home, on upper King street, early after 4 o'clock Saturday afternoon, after an illness of several weeks. He was also well known in Washington, where he conducted a tailoring establishment on E street between 13th and 14th. Mr. Grimes was about 52 years of age and leaves a widow and three children. He was a member of Alexandria-Washington Lodge of Masons, Royal Arcanum, Elks and Sarepta Lodge of Odd Fellows. The deceased was born in England but came to this country early in life. He took up his residence in Alexandria about 15 years ago and was a workman in the late Jos. L. Griggs's tailoring establishment. He later opened a store of his own, which was conducted up to the time of his death. Mr. Grimes was a popular gentleman among his many acquaintances and his death is much regretted. His funeral will take place tomorrow afternoon at 3 o'clock from his late residence, 1115 King street. The ceremony will be with Masonic honors.

Mr. H. D. Connor, who lived on Alford street, between Prince and Duke, died yesterday morning after a short illness. He had been an employee of the Southern Railway for a long time and was well known in this city.

Mary, the 5-year-old daughter of Mr. John Doherty, died last night of diphtheria.

Mr. Thomas McDermott was found dead in his bed in a room at the City Hotel building about noon today. The deceased had been in ill health for many months, but he managed to move about and attend to his duties in Mr. High Strider's store in the City Hotel building. Mr. McDermott was one of the oldest residents of the city. Over thirty years ago he was a produce and grocery merchant at the corner of Royal and Prince streets, but in later years he had been employed by Mr. Strider. He was taken seriously ill last night and died to be carried to his room. Dr. Davis called to see him about 7 o'clock this morning and it was supposed to send him to the Infirmary. At noon, on his second call, the doctor found him dead. The deceased was 76 years old. He was well known to most Alexandrians, and being of a polite and genial spirit he was much liked, going generally by the familiar name of "Uncle Tommy."

Mrs. Emma R. Sheil, wife of Mr. Thomas V. Sheil, died at her home, on Duke street, near Royal, at 4 o'clock this morning. The deceased was a daughter of the late John A. Rudd. Mr. Sheil had been in poor health for several years but her condition had not been regarded as serious. About a month ago, however, she again took to bed, since which time her health had declined until this morning, when she passed away.

George L. Saxon, a well-known young colored man, died yesterday morning at his residence on south Royal street.

RAILWAY ACCIDENT.—An accident occurred on the Washington, Alexandria and Mount Vernon Railway, at New Alexandria, about 6 o'clock Saturday evening, which resulted in serious damage to two motor cars and slight injuries to two persons.

The passenger train was crowded with men who are employed at New Alexandria, and who were on their way to their homes in this city. The platforms were packed, and it seems miraculous that more people were not hurt. It seemed that there was no light on the engine and the motorman was unable to tell whether it was turned right or left. The trainmen's injuries being slight, they remained on duty and carried the train on to Washington.

WATER COMPANY.—The annual meeting of the stockholders of the Alexandria Water Company was held yesterday when the old board of directors, Messrs. B. Wheat, E. L. Daingerfield, Walter Roberts, Geo. S. French, Hubert Snowden, Worth Hullah and M. A. Ahern, were re-elected. After the stockholders' meeting the directors met and re-elected Mr. B. Wheat president, Mr. Geo. Uhler secretary and treasurer, Mr. Jas. Eveleth collector, and Mr. F. J. Power superintendent. Mr. Charles Power was appointed assistant superintendent. The report of the president showed the affairs of the company to be in a most satisfactory condition. During the year ten figures of new mains have been laid, the pump house property has been improved and other work done. Three new fire plugs have also been erected during the year. The new pump at the company's pump house has been in operation for a year and gives entire satisfaction. Two engineers are now employed—one during the day and the other at night. The race is kept constantly clean and everything done to secure a plentiful supply of pure water. A regular dividend of \$2.50 per share of stock was declared.

SI PLUNKARD.—This original Yiddish comedy will be presented at the Opera House Wednesday night. This season the comedy "Si Plunkard" has been put forward with all new features, introducing a full working threshing machine; a locomotive and a train of cars pass across the stage, presenting all the sensational effects of a country fair, and many other catches and novelties. "Si Plunkard" will be produced by a strong and efficient cast of comedians, in an entirely new and novel line of specialties.

You never know what form of blood poison will follow consumption. Keep the liver clean by using Dr. Williams' Little Early Bitters and you will avoid trouble. They are famous liver pills for constipation and liver and bowel troubles. Edgar Warfield, jr., corner King and Pitt streets.

PERSONAL.—Among those who attended Christ Church yesterday were General and Mrs. Fitzhugh Lee. The old church has a warm spot in the General's heart, for it was in this church that his father and mother were married and from which both were buried the latter but a year ago, and here in his boyhood days under the ministry of Parson Dana the General attained that early piety, which, his familiars say, rather than years, has given him his silver sheen. After the civil war Gen. Lee frequently sang in Christ Church choir and his deep bass voice was a feature of the singing. The General was much pleased at the recent improvement to the old church.

Miss Virginia Burke has returned from Europe where she spent the summer and early fall.

Mrs. Ayres expects to join her husband, Captain Charles G. Ayres, in Cuba next month. She has leased her beautiful home on New Hampshire avenue, Washington, to Mrs. George Lyman, of Minneapolis, who will take possession November 10.

Mrs. Todd was the hostess of a beautiful luncheon Saturday at her home on King street. The guest of honor was Mrs. Alice Brent Woolley, whose marriage to Mr. Augustin Monroe, of New York, will occur on Wednesday, November 8, at the home of her brother, Mr. S. G. Brent.

Mrs. R. C. Powell and her son, Mr. William Powell, have returned from Denver, Col., where the latter has been studying medicine for the past three years.

WEDDING.—The complimentary dinner to be tendered Augustin Monroe tomorrow evening by the officials of the Larchmont Yacht Club will be an event in the history of the club, both from a gastronomical view point and because of the important event which it precedes. The menu will be the richest the club affords, and good cheer, conjoined with the sentiment of good will which will pervade the company, will make the occasion auspicious indeed and will be an appropriate send-off to the popular chairman of the house committee.

Mr. Monroe was commodore of the club during the years 1884-5 and has been chairman of the house committee ever since. Mr. Monroe's marriage will take place at Alexandria, Va., Wednesday next, at Mamaroneck (N. Y.) Register.

Mr. Monroe will be married in this city on Wednesday to Mrs. Alice Brent Woolley, sister of Mr. S. G. Brent. The ceremony will be performed at the residence of Mr. Brent, on Columbus street.

POLICE COURT.—Mayor George L. Simpson presiding. The following cases were disposed of this morning:

David Grayson, charged with being drunk and disorderly and resisting an officer, was fined \$5.

Two men, charged with disorderly conduct and fighting, were fined \$2.50 each.

A man, charged with an assault on an acquaintance, was fined \$2.50.

Night Report.—Last night was clear and cool. Fifteen lodgers were at the station house.

THE ELECTION TOMORROW.—The election tomorrow for State Senator for this district and for a member of the House of Delegates from this city and county will attract but little interest, as there is practically no opposition to the regular democratic nominees—Messrs. S. R. Donahoe for the Senate and Frank Hume for the House of Delegates. A vote will also be taken on two constitutional amendments. Polls will be opened in the usual places tomorrow at 7:04, sunrise, and will remain open until 5:10, sunset.

ELECTORAL BOARD.—The electoral board met on Saturday night and stamped and counted the tickets to be used at tomorrow's election. Mr. R. E. Grover was appointed republican judge of election in the First ward in place of Mr. W. P. Graves, resigned, and Mr. Frank Cook was designated to act as clerk in the place of Mr. Avery Henderson in the Friendship precinct, as the latter will not be able to be present tomorrow.

CHARTER.—Judge Norton has granted a charter to the Willard Hotel Company, the object of which is to conduct a hotel in Alexandria and in Washington. The capital stock is to be \$100,000 and Col. F. L. Smith is named as the representative of the company in this city.

Mr. E. J. Stellwagen, of Washington, is president, and the other officers and directors are all Washingtonians.

WILL.—In the Corporation Court today the will of the late Dr. E. S. Leadbeater was admitted to probate. The will was made in April, 1872, and the deceased leaves all his property to his widow, Mrs. Clara L. Leadbeater, who is appointed executrix and is not required to give bond or make inventory.

Do not fail to see Professor Makover at the Old Maid's Convention transform the dead spinners into matchless grace and beauty.

Story of a Slave. To be bound hand and foot by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave has been made free. He says: "My wife has been helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by E. S. Leadbeater & Sons, Druggists.
